By signing this invoice, I acknowledge that I am taking possession of the above-listed food products from Kelly's Foods in good condition and, where applicable, at acceptable temperatures at the time of release. I understand and agree that once the product is released to me, Kelly's Foods is no longer responsible nor liable for maintaining temperature control, preventing contamination, or ensuring the continued safety of the product. I accept full responsibility for handling, transporting, and storing the product in compliance with applicable food safety requirements.
